Five Senses

Sea birds up in the sky.

Fishing boats catch fish.

You can see, taste, touch,
hear and smell many
things from the ocean.
This ocean is called the
Atlantic Ocean.
It is very cold.
It is the second largest
ocean in the world.

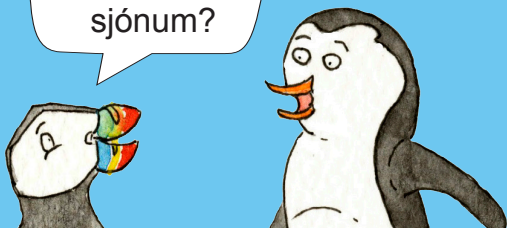

What sounds can you hear by the ocean?

The black beach is soft.

Finnst þér
vera lykt af
sjónum?

Yes, I think it
smells salty.

Did you know that the Atlantic Ocean
is the saltiest ocean in the world?

Ships and Boats

What kind of ship brings visitors to Iceland?

What kind of ship guards the ocean?

What two kinds of boat catches fish?

What kind of boat has a sail?

What kind of boat looks for whales?

big fishing trawler
coast guard
cruise ship
sail boat
small fishing boat
whale watching boat

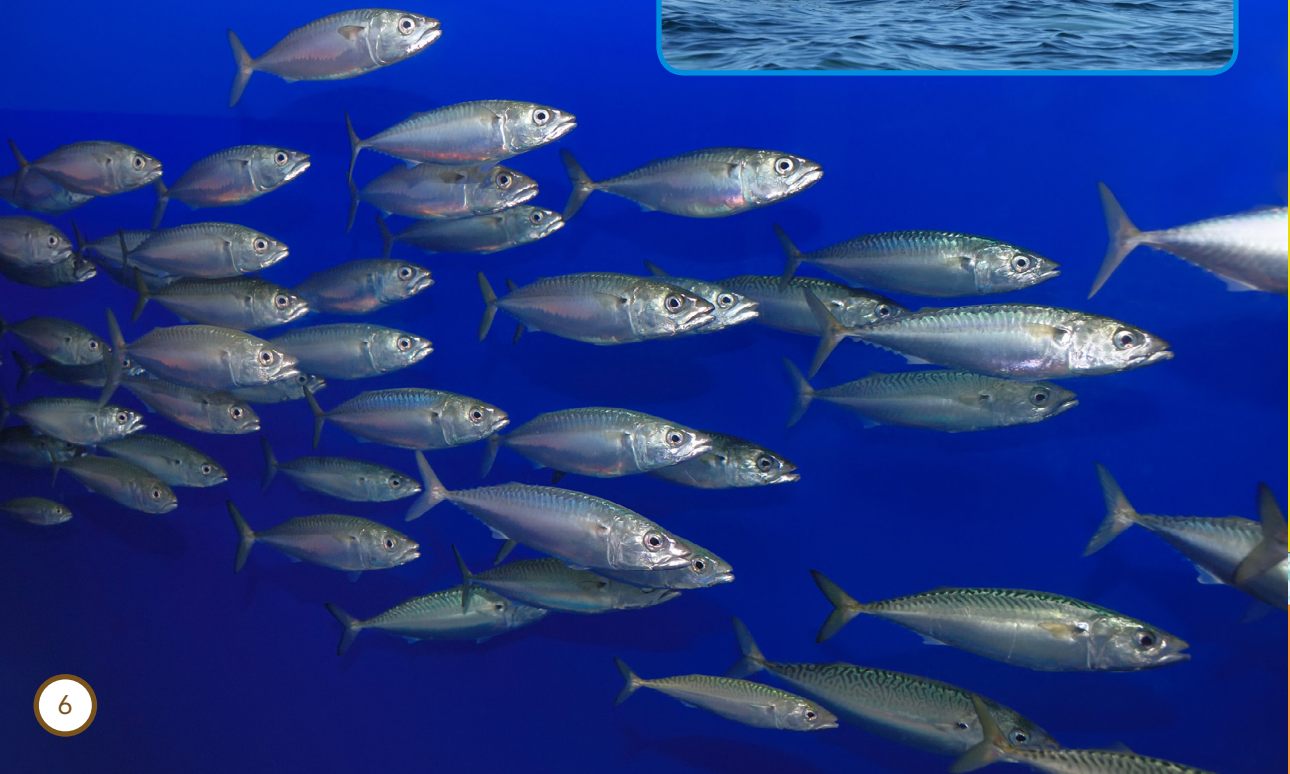

Did you know: A Viking ship called The Iclander sailed from Iceland to New York in the year 2000?

Marine Animals

Fisherman Jón pulls up a fish.

How many black and white
orca whales swim together?
Many fish swim below.

Two grey seals.

Two dolphins jumping.

There are many kinds of animals in the ocean. Whales, seals, dolphins and many more. What other kinds of animals are in the ocean?

Did you know: Polar bears have floated here on icebergs from Greenland?

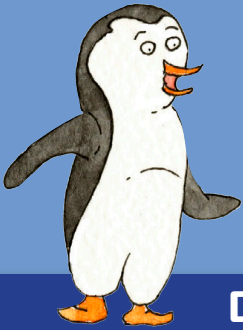

Four Kinds of Seabirds

The arctic tern is white. It has a black head and a red beak.

Many kinds of seabirds live in Iceland. You can see them on the shore. You can see them up in the sky and down in the ocean.

A puffin's beak is red, yellow and grey.

One duck is brown.
One duck is white and black.

Did you know: Penguins cannot fly? Penguins swim.

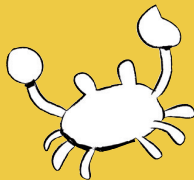

Seagulls love to eat.

The Shore

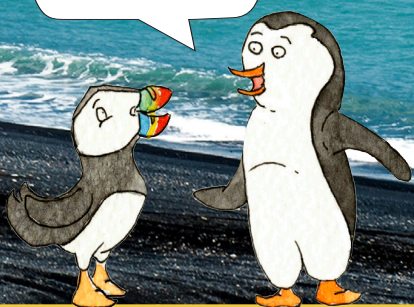

On the shore you can
see many things.
They are all different
shapes and colours.
Can you match what fits
into the shapes?

crab
seaweed
shell
starfish
stones

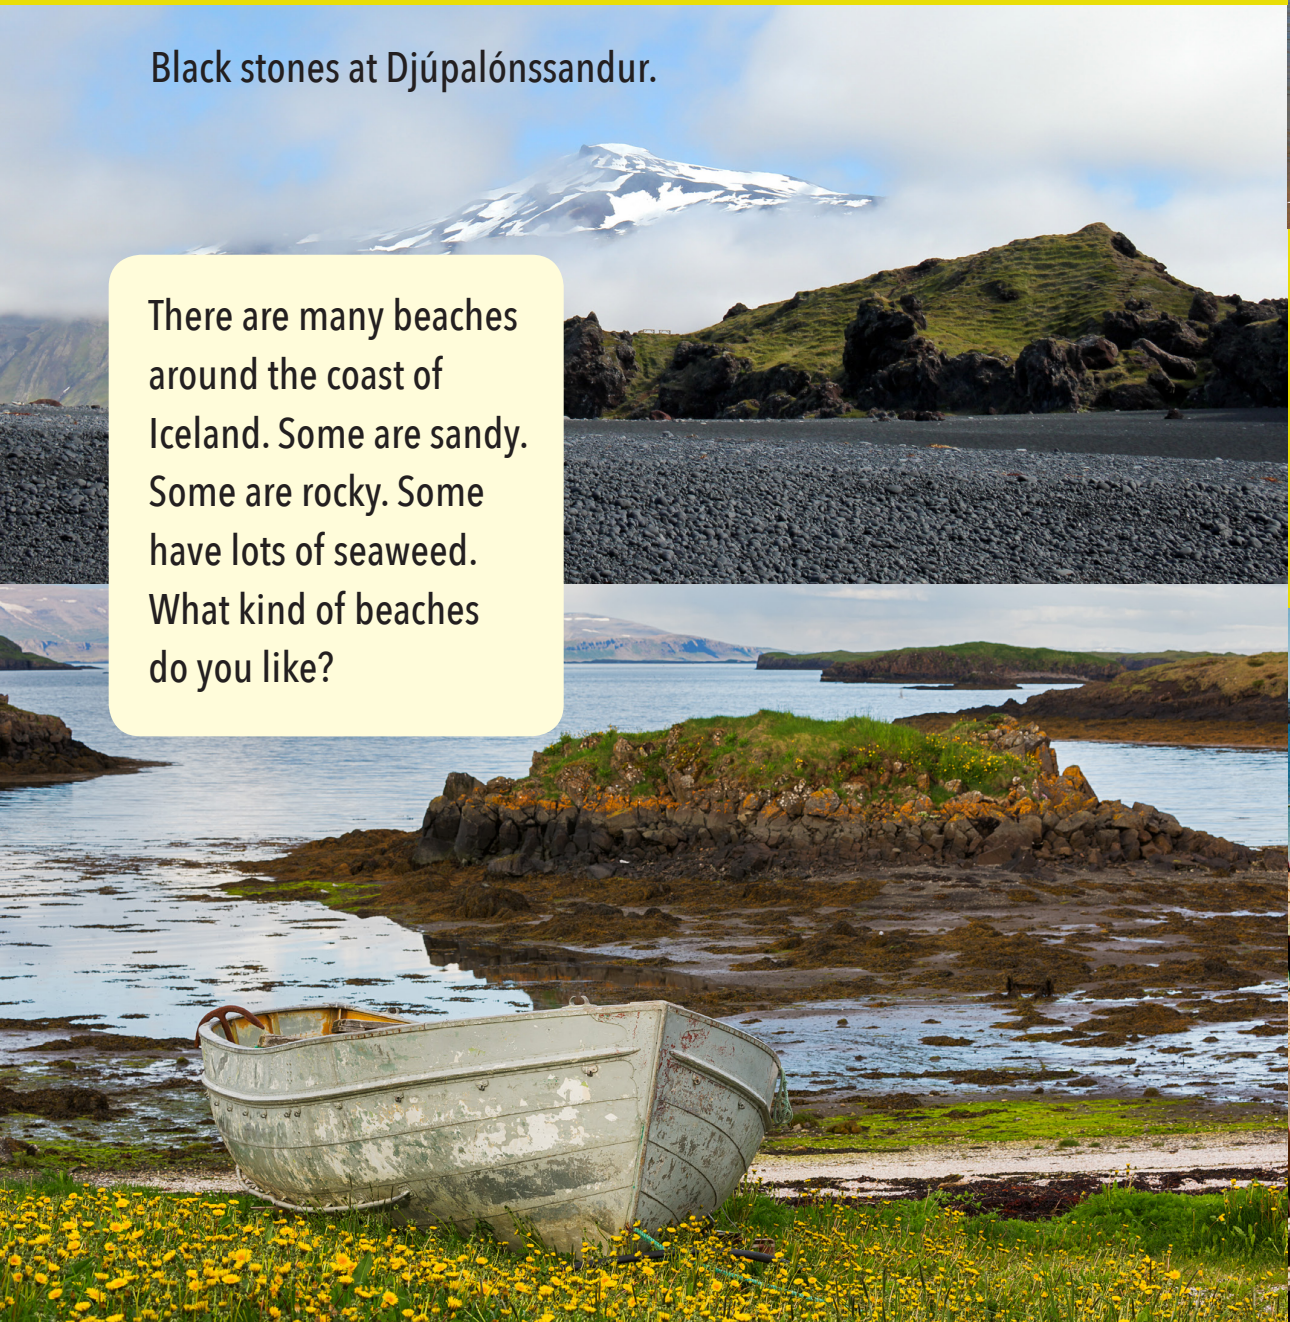

Getur þú
fundið réttu
formin?

Beaches

Black stones at Djúpalónssandur.

There are many beaches around the coast of Iceland. Some are sandy. Some are rocky. Some have lots of seaweed. What kind of beaches do you like?

An old boat on a north coast beach.

Red sand at
Rauðasandur.

People having fun
at Nauthólsvík
Beach in Reykjavík.

Ice chunks
on a south
coast beach.

Did you know: Black sand can come from stones
and from lava?

Fun at the Beach

Collecting stones
and shells.

On a sunny day, many
people go to the beach.
It's fun to go to the
beach.

You can swim, play in
the sand or sunbathe.
What do you like to do
at the beach?

Play in the sand.

Go sailing.

Sunbathing and
a cold drink.

Atlantic Ocean

The ocean around Iceland is the North Atlantic Ocean.

It is the second largest ocean in the world. It is very cold and salty.

The ocean has many different things to see.

You can see boats sailing, birds flying and lots of marine animals.

Dolphins, orca whales, seals and fish swim together in the ocean.

The coast around Iceland has different kinds of beaches.

You can play, swim and do many things at the beach.

There are many oceans around the world.

Which one would you like to visit?

TIL NEMANDA

Þessi bók er eign skólans þíns og þú hefur hana að láni. Bækur eru dýrar og því mikilvægt að farið sé vel með þær. Gættu þess vel að skrifa ekki í þessa bók.

[illegible]

- 1) Nafn nemanda skal greinilega skrifað í línurnar hér að ofan.
- 2) Ástandi bókar við útlán og skil skal lýst þannig:
N: ný bók, G: gott, S: sæmilegt, L: lélegt.

Heftið *Atlantic Ocean* er í flokki þemahefta sem tilheyra enskuefninu *Connect*. Efnið er fyrir nemendur á yngsta stigi grunnskóla. Stuttum texta og ríkulegu myndefni er ætlað að stuðla að fjölbreyttri úrvinnslu á grundvelli þemanáms.

Kennsluleiðbeiningar eru gefnar út á vef Námsgagnastofnunar, www.nams.is.

Önnur hefti í sama flokki eru *Celebrations* og *Seasons*.

Höfundar eru Björg Jónsdóttir og Elizabeth Joann Nunberg
