Oh, misty eye of the mountain below  
Keep careful watch of my brothers' souls  
And should the sky be filled with fire and smoke

Keep watching over Durin's son

Em C D Em

Em C D Em

If this is to end in fire

Then we should all burn together

Watch the flames climb high into the night

Calling father oh, sent by and we will

Watch the flames burn on and on

The mountain side, high

Em C D Em

And if we should die tonight

Then we should all die together

Raise a glass of wine for the last time

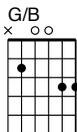

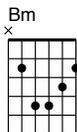

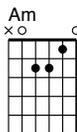

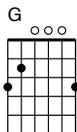

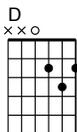

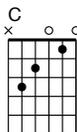

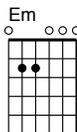

Calling out for the rope

Prepare as we will

Watch the flames burn on and on

The mountain side

Desolation comes upon the sky

Now I see fire, inside the mountain

I see fire, burning the trees

And I see fire, hollowing souls

And I see fire, blood in the breeze

And I hope that you remember me

Em C D Em

Em C D Em

Oh, should my people fall in

Surely I'll do the same

Come finding mountain holes

We got too close to the flame

Calling out father oh

Hold fast and we will

Watch the flames burn on and on

The mountain side

Desolation comes upon the sky

Now I see fire, inside the mountain

I see fire, burning the trees

And I see fire, hollowing souls

And I see fire, blood in the breeze

And I hope that you remember me

And if the night is burning

I will cover my eyes

For if the dark returns then

My brothers will die

And as the sky's falling down

It crashed into this lonely town

And with that shadow upon the ground

I hear my people screaming out

Now I see fire, inside the mountain

I see fire, burning the trees

And I see fire, hollowing souls

And I see fire, blood in the breeze

Now I see fire, inside the mountain

I see fire, burning the trees

And I see fire, hollowing souls

Aren't you somethin' to admire, cause your  
shine is somethin' like a mirror

And I can't help but notice, you reflect in

this heart of mine

If you ever feel alone and the glare makes me  
hard to find

Just know that I'm always peering out on the  
other side

Cause with your hand in my hand and a pocket  
full of soul

I can tell you there's no place we couldn't go  
Just put your hand on the past, I'm here tryin' to  
pull you through

You just gotta be strong

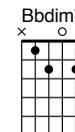

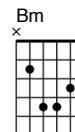

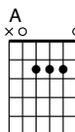

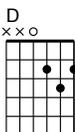

**Cause I don't wanna lose you now**

**I'm lookin' right at the other half of me**

**The vacancy that sat in my heart**

**Is a space that now you hold**

**Show me how to fight for now**

And I'll tell you baby, it was easy

Comin' back into you once I figured it out

You were right here all along

It's like you're my mirror

(oh oh) My mirror staring back at me

I couldn't get any bigger

(oh oh) With anyone else beside of me

And now it's clear as this promise

That we're making two reflections into one

Cause it's like you're my mirror

(oh oh) My mirror staring back at me, staring back at me

Aren't you somethin' an original cause it doesn't  
seem we'll make a sample

And I can't help but stare cause I see truth  
somewhere in your eyes

ooh I can't ever change without you, you reflect  
me, I love that about you

And if I could, I would look at us all the time

Cause with your hand in my hand and a pocket full  
of soul

I can tell you there's no place we couldn't go

Just put your hand on the past, I'm here tryin' to

And I just wanna see your face light up since you put me on  
So now I say goodbye to the old me, it's already gone  
And I can't wait wait wait wait to get you home  
Just to let you know, you are

I cut my teeth on wedding rings in the movies  
And I'm not proud of my address,  
in the torn up town no post code envy

But every song's like gold teeth, grey goose, trippin' in the bathroom  
Blood stains, ball gowns, trashin' the hotel room,

<sup>Cadd9</sup> <sup>G</sup>  
We don't care, we're driving cadillacs in our dreams.

Capo á 3. bandi upprunaleg tóntegund C-moll

Ég lofa að hætta að taka smálán  
og skila spólunni sem ég tók þegar ég var átján.  
Hætta að borða pulsur. Borða frekar bulsur.  
Fara í sjósund og fá mér hreintæktaðan mjóhund.

Fara út að hlaupa með Retro Stefson,  
Freyju Haralds, Kára Stef og Gunna Nelson.  
Drífa mig í leikhús og hvíla Netið.  
Hætta að reyna að slá QuizUp Íslandsmetið.

Ég lofa: Ég ætla að hætta að reykja  
og ég ætla að byrja að mæta í afmæli  
og ég ætla að komast í landsliðið  
og ég ætla að hætta að borða nammi.  
ég lofa..., ég lofa, ég lofa!  
En ekki í kvöld.

Í kvöld við sötr - um gleði af stút  
og við springum út - O o o o o.  
Eng - inn pirri-pú  
og við springum út - O o o o o.

Lofa að hætta að snúsa og djamma og djúsa  
reyna að kaupa silfurpeninginn af Fúsa.  
Ætla að verða frægur, hætta að vera feiminn.  
Ég ætla að leika í „Game of thrones“ og sigra heiminn.

Missa nokkur kiló, svitna salti,  
safna skeggi, hári og lúkka eins og Balti.  
Lofa að vinna minna, vera betri faðir.  
En það eru bara svo margir kampavínsstaðir.

Ég ætla að hætta að sofna í baði  
og ég ætla að byrja að trúá á geimverur  
og ég ætla að byrja að krydda franskar minar  
og ég ætla að skipta um kyn  
og ég lofa..., ég lofa, ég lofa!

Og síðan hittumst við aftur

á miðri leið

Ég stend hérna einn í rigningunni

ég hugsa til þín í öðru landi

ég horfi til himins á stjörnurnar

eru þær eins hjá þér

Ef ég ætti þrjár óskir, þá ég óskaði mér

að ég gæti flogið, flogið til þín

yfir fjöll, yfir höf til þín

Og síðan hittumst við aftur

á miðri leið

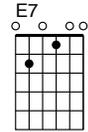

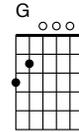

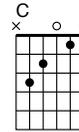

Við eigum heiminn

og allt sem í honum er

Og síðan hittumst við aftur

Mig langar að synda í tungsljósi.

Mig langar að sigra jökulinn,

Ég get ekki sungið, ég get ekki grátið.

Ég get ekki fundið norðurljósín,

tilganginn, fullkomnun án þín.

Og síðan hittumst við aftur

á miðri leið

Við eigum heiminn
