

ACKNOWLEDGMENTS

All the articles in this book have been written with the standards and example of Marianne Kalinke in mind. The editors wish to thank Patrick Stevens, Curator of The Fiske Icelandica Collection at Cornell University Library, for his enthusiasm for this project, which he saw as a fitting tribute to Marianne. We are grateful to him for agreeing to accept this book for publication in the *Islandica* series. We have had ongoing editorial help from the able project assistant Natalie Van Deusen of the University of Wisconsin-Madison. We wish to thank all the contributors for their learning, assistance, and patience during the long process from abstracts to print.
